COACH TOURING

WOMEN ON TOUR – Sisterhood Womens Travel founder Hayley Morris (far left in pink) with her all-female tour group at Kata Tjuta (the Olgas).

Sisters do it for themselves

WOMEN who enjoy the rock 'n' rail lifestyle can hop on an all-female tour bus to the outback this August. Sisterhood Womens Travel is a specialised women-only tour company based in Victoria. And in August it teams up with Great Southern Rail for a 10-day outback adventure exploring the beauty of central and northern Australia. The Sisterhood was founded by travel specialist Hayley Morris more than 11 years ago after identifying the need for a touring company "to provide fully inclusive, interesting tours just for women". The outback tour departs Melbourne on August 30 and includes a Sounds of Silence dinner on arrival at Uluru, with the mystical rock providing the perfect

accompaniment to a starry outback sky. It then moves on to Kings Canyon for a rim walk with views of Watarrka National Park, then on to Alice Springs and an overnight luxury journey on the Ghan, enjoying the Gold Class hospitality of Great Southern Rail. The group arrives in Darwin for a day tour to Litchfield National Park and ends the trip with a visit to the sunset Mindil Markets. The Sisterhood welcomes women travellers of all ages and offers a room matching service giving single travellers the opportunity to keep costs down and make a new friend in the process. Prices are \$6529 per person twin share, \$995 single supplement. ■ 1300-885-255, www.sisterhoodwomenstravel.com.au
